

Aero Rubber “All Weather” Pallet Bands

Reusable To Save You \$\$!

The Bands That Work! Even in Harsh Long Term Outdoor Applications

Aero Rubber “All Weather” Pallet Bands are specifically formulated to resist the heat and UV effects from the sun, allowing for long term usage. You can now stabilize pallet loads or secure tarps in:

- Outdoor Storage Yards
- Long Term Archival Storage
- Marine Applications

Aero Rubber “All Weather” Pallet Bands retain their elasticity in outdoor and long term storage applications.

- In seconds, a single worker can apply an “All Weather” Band around a pallet of drums, pails, containers or over tarps.
- Unlike stretch wrap or tape, “All Weather” Bands are highly reusable, reducing your labor and material costs.
- Many sizes in stock to meet your needs.
- Aero “All Weather” Pallet Bands Save You Money!
